Varsity jerseys and helmets:

The Coloma Football program would like to inform you that each senior football player is more than welcome to purchase or use their jersey(s) and or helmets for senior pictures. We like it when there is more Green and Gold everywhere. These items are expensive therefore the policy is as follows.

- All jerseys and helmets will be turned in at the end of the season.
 - A player may borrow their jersey(s) and or helmet for senior pictures.
 - A deposit for is required.
 - One jersey is \$75.00
 - Two jerseys are \$150
 - Helmets are \$175
 - Some are more i.e. we have one helmet that costs \$240
 - The check will be held until the order is placed for replacement approximately on Jan 1st.
 - Checks can be made out to Coloma Community Schools.
 - The check will be void and either returned or destroyed upon the return of the equipment.
- If a player decides at a later date to use or purchase their equipment they may do so again with a deposit but unfortunately the cost will rise.

Thank you for your cooperation. We want our players to wear the Green and Gold as well as make the part of their memories at Coloma High School. Again these items are expensive and it is necessary to have the proper count and not have any losses so that next year's squad memories are as good as the previous.

Thank you,

Mark Eddy
